- SQL

## Language

Swedish - Fluent

English - Fluent

## Software developer

Result-oriented and driven sports enthusiast with a passion for technology and a strong eagerness to learn new things. In my free time, I enjoy coding with my Raspberry Pi devices, watching sports, and occasionally fishing. I am 26 years old and actively seeking my first role as a Software Developer.

## Current Project

I am currently working on various C++ projects and web development tasks, with a focus on C++ and JavaScript. Focus right now, is a trading bot that is meant to be ran in my Raspberry Pi cluster at home.

## Education

### Pythonutvecklare – Inriktning AI

2022 - 2024 | Higher Vocational Education degree in pythondevelopment with focus on AI

### Courses Uppsala University
